Presentación

Con el inicio de una nueva gestión educativa, reiteramos nuestro compromiso con el Estado Plurinacional de Bolivia de brindar una educación de excelencia para todas y todos los bolivianos a través de los diferentes niveles y ámbitos del Sistema Educativo Plurinacional (SEP). Creemos firmemente que la educación es la herramienta más eficaz para construir una sociedad más justa, equitativa y próspera.

En este contexto, el Ministerio de Educación ofrece a estudiantes, maestras y maestros, una nueva edición revisada y actualizada de los TEXTOS DE APRENDIZAJE para los niveles de Educación Inicial en Familia Comunitaria, Educación Primaria Comunitaria Vocacional y Educación Secundaria Comunitaria Productiva. Estos textos presentan contenidos y actividades organizados secuencialmente, de acuerdo con los Planes y Programas establecidos para cada nivel educativo. Las actividades propuestas emergen de las experiencias concretas de docentes que han desarrollado su labor pedagógica en el aula.

Por otro lado, el contenido de estos textos debe considerarse como un elemento dinamizador del aprendizaje, que siempre puede ampliarse, profundizarse y contextualizarse desde la experiencia y la realidad de cada contexto cultural, social y educativo. De la misma manera, tanto el contenido como las actividades propuestas deben entenderse como medios canalizadores del diálogo y la reflexión de los aprendizajes con el fin de desarrollar y fortalecer la conciencia crítica para saber por qué y para qué aprendemos. Así también, ambos elementos abordan problemáticas sociales actuales que propician el fortalecimiento de valores que forjan una personalidad estable, con autoestima y empatía, tan importantes en estos tiempos.

En particular, el texto de aprendizaje de “Lengua Extranjera Inglés” de Educación Primaria Comunitaria Vocacional que promueve una formación integral en las y los estudiantes, a partir de actividades que desarrollan capacidades comunicativas, intra-interculturales y plurilingües, para que comprendan otras culturas y se desenvuelvan en una sociedad cada vez más globalizada.

En este sentido, el Ministerio de Educación proporciona este material para que docentes y estudiantes lo utilicen en sus diversas experiencias educativas. Recordemos que el principio del conocimiento surge de nuestra voluntad de aprender y explorar nuevos aprendizajes para reflexionar sobre ellos en beneficio de nuestra vida cotidiana.

Edgar Pary Chambi
